BOARD OF COMMISSIONERS

ADDENDUM #2

Issue Date: August 10, 2004

(Bids Due: August 18th, 12:00 Noon)

SPECIFICATION NO. 04-199

FOR

MOBILE COMMUNICATIONS / COMMAND CENTER VEHICLE

Addenda (or addendum if singular) are written instruments issued by the County prior to the date for receipt of offers which will modify or interpret the specification document by addition, deletion, clarification or correction. Please acknowledge receipt of this addendum in the space provided on your bidding document.

Be advised of the following changes to the County's specification and bidding documents:

1. **QUESTION: Section 1.0, page 6. Can we bid a larger wheel base unit?**

ANSWER: Yes, a wheel base of 186" is acceptable to distribute the weight on the axles.

2. **QUESTION: Section 6.5, page 8. Can we substitute industry standard crimping methods instead of aircraft style?**

ANSWER: Yes, per SAE Standards or OEM Standards.

3. **QUESTION: Section 7.11, page 9. Will you accept fixed angle scene lights instead of manually adjustable?**

ANSWER: Yes due to their location.

4. **QUESTION: Section 20.3, page 13. Must the bathroom size be as listed?**

ANSWER: Actual bathroom size is flexible. Exact size will be determined prior to placement of order.

5. **QUESTION: Section 23.1, page 15. Can we substitute a door other than Polyphaser antogaph?**

ANSWER: It is our understanding a pantograph door style is no longer available, thus one can supply a standard out/out service door.

DEB SCHORR * LARRY HUDKINS * RAY STEVENS * BERNIE HEIER * BOB WORKMAN
KERRY EAGAN, Chief Administrative Officer

6. QUESTION: Section 26.1, page 16. Can step treads vary from the 12" depth?

ANSWER: Yes, but they cannot be less than 9".

7. QUESTION: Section 6.2, page 7. Use of OEM alternator.

ANSWER: This question was addressed in Addenda No. 1.

8. QUESTION: Section 31.1, page 17. Is diesel acceptable and is the compartment size fixed?

ANSWER: Whatever unit can meet our needs and whichever size compartment is necessary to accommodate the generator size to meet those needs.

9. QUESTION: Section 22.1, page 14. Pre-approval of standard body construction of Candidate & Senator specification.

ANSWER: It appears these are acceptable and may fit the intended use, however, final approval can only be made when bids are received.

All other terms, conditions and requirements of the request remain the same as originally indicated in the document or as modified on previous addenda.
